

LOOKING FOR A LONGER SUMMER ADVENTURE?

The following are some suggested 4-10 week plans. You may use these suggestions or create your own summer plan by selecting desired courses and coordinating dates. Please note that the Specialty courses are designed for students ages 14 - 18. Students may remain at Balsam Base between NC and Florida sessions. Students may remain at Eagle View Ranch between Wyoming and California sessions. There will be an additional charge of \$100.00 per day which includes all activity fees, spending money, and laundry expenses. Students participate in recreational activities such as: bowling, swimming, movies, etc., and will be fully supervised by SOAR staff. Students are then transferred to the next program.

If you need assistance in selecting multiple courses, please contact Amy Allison, in Admissions, at 828-456-3435 or email amy@soarnc.org.
