

Multiple Course Tracks 2011:

Students participating in more than one SOAR course are invited to stay at Balsam Base or Eagle View Ranch between courses. Activities are fun and relaxed as students recharge for their next course. There is a fee of \$100 per day, which includes all activity costs. Please contact our Admissions office for more information, and to schedule layover days. Below are sample course combinations for those looking to create a longer SOAR adventure.
